SANITARY CONNECTION FOR NEW DEVELOPMENT

SERVICEABILITY REVIEW APPLICATION

PURPOSE OF APPLICATION:

The District of Sooke, in collaboration with EPCOR, is responsible for development and maintenance of the Sooke Sewer System. Prior to new developments proceeding, The District of Sooke requires confirmation that proposed developments can be adequately accommodated by the existing system. If the existing system cannot handle the flows from the proposed system, then this serviceability review will be used to identify what upgrades are required in order to bring the new development online. All required upgrades to the municipal system will be at the developer's expense. EPCOR will provide the District of Sooke and the applicant with a technical memorandum listing the results of the review and the details of any upgrades required to the municipal system.

LIMITATIONS:

Capacities and cumulative flows within the municipal system are based on best available information at the time of the serviceability review. Results are estimated values, and are solely for the use in assessing the serviceability of the proposed development, and no other party is entitled to rely on results provided in response to this application. No warranty, express or implied, is made in the compilation of the technical memorandum.

FEES AND SCOPE OF WORK:

This application covers the initial review of the flows provided by the applicant, inclusion of the flow data into the computer model, analysis of the model, identification of any downstream issues as a result of the development coming online, and all required upgrades to the existing system. Each application will be considered on an individual basis, and if any additional review or study is required beyond the scope of work detailed above, additional fees may be required to cover that additional work.

<i>Size of Development in S.F.E.'s</i>	<i>Application Fee*</i>
1-3	No charge
4-30	\$1,200*
30-100	\$1,600*
Greater than 100	\$2,200 + \$125 for each 10 S.F.E.'s above 100*

***PLUS \$75 administration fee and applicable taxes to be added to the administration and application fees.**

I understand and accept limitations noted above and certify that information provided in this application is correct:
